**RE: By-law 2025-23 to designate Canada fleabane (*Conyza Canadensis*)**

Dear Tray Benish:

Thank you for the notification that your council has passed By-law 2025-23 to designate Canada fleabane (*Conyza Canadensis*) as a local weed under section 10 of the *Weed Control Act RSO 1990 c.W.5*. This by-law is approved and therefore Canada fleabane is now considered a Noxious Weed in the Township of West Lincoln.

The Township of West Lincoln is responsible for notifying property owners of this by-law, and for its enforcement under the provisions of the *Weed Control Act*.

Regards,
